Council will find a draft of such located behind Tab 3 for consideration. The draft includes new definitions for body piercing, body piercing parlors, tattooing, and tattoo parlors. It also includes a new listing in the table of uses by district for tattoo and/or body piercing parlors as an allowed use and includes a notation about the 500' setback requirement from any existing religious institution, day care, public park or school.

A similar request will be forwarded to the NC DOT for closing West Main Street from Swaim Street to the upper end of Cherry Street.

12.) DISCUSSION OF JULY MEETING DATE

As you all may recall, the past few years the Town Council has skipped its July meeting due to the fact that there were few items of consequence to be considered. At this point it appears that we may be in a similar situation this year. If the Council should wish to skip the July meeting we will need to notify the public as soon as practical.
